# **ABOUT THE SAINT AUGUSTINE INSTITUTE of CATHOLIC STUDIES**

The Saint Augustine Institute of Catholic Studies is the educational division of the Crusade of Saint Benedict Center. Its purpose is to provide a well rounded and conveniently simple course of instruction in Catholic thought. The goal of the Institute is the formation of a large and ever growing body of well instructed lay apostles in the Church Militant who will become a mighty force for expelling the modernist heresy from within the Church and for spreading the True Faith throughout the world, beginning with the conversion of America.
